CONTENT

The lessons will focus on speaking in an everyday environment.

Oral tuition: The focus will then be on the students' ability to talk about themselves, their aspirations etc. as well as current topics; ideal preparation for the LC oral exams.

Reading Comprehension: Interesting reading work will allow students to test their listening comprehension and grammar exercises will cover the more difficult grammar elements of the JC course.

Topical Discussion: General themes of sports, student pressure, and social media will help students develop vocabulary relating to typical exam comprehension and written questions.

Games: Role play and creative games will enable students develop confidence in structuring phrases in Spanish.

Culture: Students will delve into the aspects of Spanish culture which will help them in document creation. It will also hopefully inspire them and broaden their cultural horizons. Spanish movies, food, music will be explored.

□ **Teacher: Sandra Giron, Sandra is a qualified school teacher from the University Cardenal Spínola, (CEU), Seville in Spain. She subsequently trained as a specialist in Leaving Cert Spanish with the Instituto Cervantes in Dublin, and has been teaching LC Spanish students for over 2**

years. Students love her bubbly and fun personality and her passion for the Spanish language and culture which she instils in our students with great enthusiasm. LC Spanish takes on a new and fun meaning under Sandra's guidance.
